

PROCLETHYA

### Instructions for Redeeming a Proclethya License Purchased on WAProduction.com

1. After purchasing your license, visit your W. A. Production account page [here](#).
2. In your **My Product Keys** section will be a redemption code for Proclethya. Click **View Product Key**, then copy the code.
3. Next, visit [this link](#).
4. Paste and enter the code in the **Coupon Code** section, then hit **Apply Coupon**. The total price should now have been reduced to \$0.00.
5. Finish filling out the form and click **Place Order**.
6. Once the order is successful, you'll be taken to the **Downloads** page. Download the correct installer for your operating system, and any additional bonus material you would like.
7. On this same page, scroll down to the **Your license key(s)** section. Copy the license key that you find there.
8. Open the installer and follow the instructions to complete installation.
9. Open your DAW of choice and load Proclethya. Depending on your DAW, you may need to manually run a plugin scan for the plugin to appear.
10. Click the **Register** button in the Proclethya window. Enter your name and paste your license key in the corresponding field, then click **Submit**.
11. The plugin should now say **Authorized** and is ready for use.
12. For any additional soundbanks you downloaded, please follow the instructions that came with the download to install them.
